THE REVISED AMERICAN MISSAL

This is not a new Missal; eighteen years' daily use has shown the value of The AMERICAN MISSAL, and the soundness of the liturgical principles on which it is based.

This Missal includes the whole liturgy of the American Book of Common Prayer, together with the official musical settings of the Prayer Book Prefaces and of the Lord's Prayer as set forth by the Joint Commission on Church Music under the authority of General Convention in The Choral Service. The setting of the Sursum Corda and of the Lord's Prayer also appear in The Hymnal 1940.

The musical editor of The American Missal is the late Reverend Canon Winfred Douglas, Mus. D., outstanding Anglican authority in this field, whose influence extends far beyond our borders.

Additional matter has been drawn from other Anglican Service Books; notably the Post-Communions for the Scottish Book of Common Prayer, which are here presented for alternative use.

At the request of many Parish Priests and some Religious Communities, the Calendar has been somewhat enlarged. It is not expected that all of the Commemorations here provided will be everywhere observed; an attempt has been made to provide a treasury from which all may draw according to their needs. Large clear type; inconvenient page turnings and cross-references reduced to a minimum.

Fully tabbed, eight strong markers
